MURDER OF THE WEBERS.

FIGHTING EDITOR PASSES AWAY.

LEAVENWORTH, Kas., November 12.—D. R. Anthony is dead.

Daniel Read Anthony was the famous fighting editor of Kansas. Going there in troublous days with positive convictions and no end of pluck, he edited the Leavenworth Times, with a pen in one hand and a pistol in the other. Attacks upon him were common and he was either the hero or the victim of numerous shooting affrays. Col. Anthony was born August 22, 1824 at South Adams, Mass. He was a brother of the famous Susan B. Anthony, who survives him. He was educated in the common school at Batteville, N. Y., and in a cotton mill. He removed to Rochester, N. Y., in 1847, and to Kansas in 1854. Was Lieutenant-Colonel in the Union Army 1862-3; editor of Daily and Weekly Times for over 40 years; Mayor of Leavenworth, 1863 and 1872; members of Kansas Legislature, 1873; postmaster Leavenworth, 1874-1885; Governor Director of the Union Pacific Railroad in 1886. He was married January 21, 1864 to Annie E. Osborn of Edgartown, Mass.

SKIRMISHING NEAR MUKDEN.

MUKDEN, November 12.—There is continuous skirmishing here.

A number of the millionaires who live in one of the Philadelphia suburbs have formed a fire department of their own and are to build an engine-house and fully equip it with all the necessary up-to-date apparatus at their own expense. They will employ a large fire company and so protect their own summer homes. Among the members of the organization are John Wanamaker, P. A. B. Widener and C. A. Barney.

There is a gold mine in Australia which is 3000 feet deep, and the various tunnels are so hot that coal water has to be continually sprayed over the miners working inside. The temperature is usually 108.

A Sure Cure for Croup—The first indication of croup is hoarseness, and in a child subject to that disease it may be taken as a sure sign of the approach of an attack. Following this hoarseness is a peculiar rough cough. If Chamberlain's Cough Remedy is given as soon as the child becomes hoarse, or even after the croupy cough appears, it will prevent the attack. It is used in many thousands of homes in this broad land and never disappoints the anxious mothers. We have yet to learn of a single instance in which it has not proved effectual. No other preparation can show such a record—over thirty years' constant use without a failure. For sale by all dealers. Benson, Smith & Co., agents for Hawaii.
